NEWSLETTER

APRIL 2025

(for Private Circulation only)

“Ye Dil Maange More”
(The Heart Desires More)

- Captain Vikram Batra, PVC

Dear Readers,

The National Cadet Corps is the Indian Military Cadet Corps with its Head Quarters in New Delhi. It is open to high school and college students on a voluntary basis. The National Cadet Corps in India is a voluntary organisation that recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selection based on the corps' achievements.

The objective of our Newsletter for the year 2024–2025 is to display the ideal efforts of our NCC cadets. It gives them courage, effective leadership traits and employment opportunities at various levels. Seeking the blessings of the Holy Trinity and our benevolent founders, we hereby present the achievements of NCC cadets from a bird's eye view. We are very grateful indeed to our benign management and our beloved Principal, Dr. R. Uma Rani, for their constant support and encouragement and for being a source of strength in all our extracurricular endeavours.

National Cadet Corps:

The NCC was founded on July 15, 1948. It can be considered a successor of the University Officers Training Corps (UOTC), which was established by the British in 1942. Rather than just being the second line of defence NCC places a greater emphasis on developing leadership and Officer-like qualities. The greatest importance has been given to areas like social service and youth management.

MOTTO OF NCC:

"Unity and Discipline"

AIMS OF NCC:

- To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizens.
- To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life including the Armed Forces and be always available for the service of the nation.
- To provide a suitable environment to motivate the youth to take up a career in the Armed Forces.

NCC ORGANISATION:

The National Cadet Corps is headed by a Director General, an Army officer of the rank of Lieutenant General, who is responsible for the functioning of the National Cadet Corps in the country through the National Cadet Corps Headquarters situated at Delhi. At the State Level, the country has been divided into 17 directorates covering all states and union territories. Each of the State NCC Directorate Headquarters controls two to fourteen Group Headquarters. NCC Units are commanded by Major/Lieutenant Colonel or their equivalents.

Group Commander
Col. S. R. Ramanathan
