

## **FEEDBACK ANALYSIS REPORT**

### **Introduction to feedback**

Internal Quality Assurance Cell (IQAC) provides a key and noteworthy commitment to improve educational quality of the institution. Feedback is one of the most effective teaching and learning techniques that puts out a direct impact on both the process that has an immediate effect of acquiring knowledge. Feedback collected from stakeholders – Students, Teachers, Employers and Alumni. The feedback collected and analyzed by using statistical tools. Based on the opinion of the stakeholders, further action was taken.

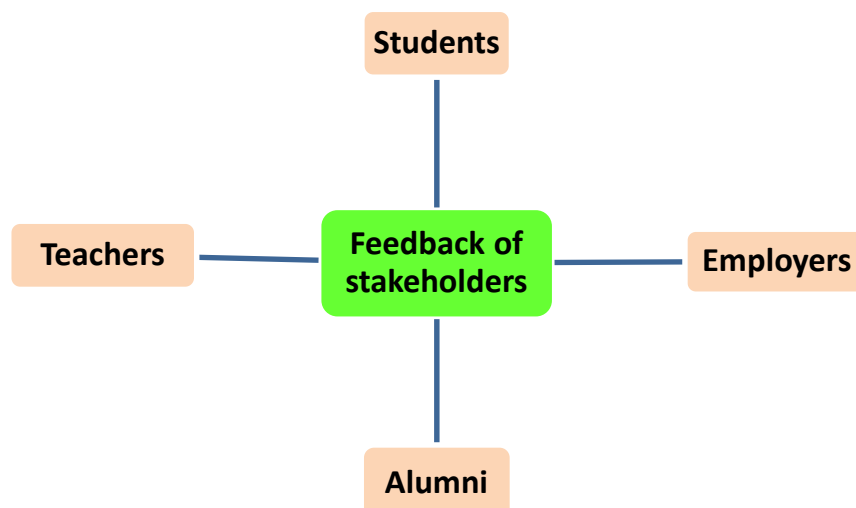

### **Objectives of Feedback**

**To give students the offhand to remark on the quality of their learning experience, as part of the preparation for and evaluation process.**

**To appraise the success of academic offering in accordance with students' expectations**

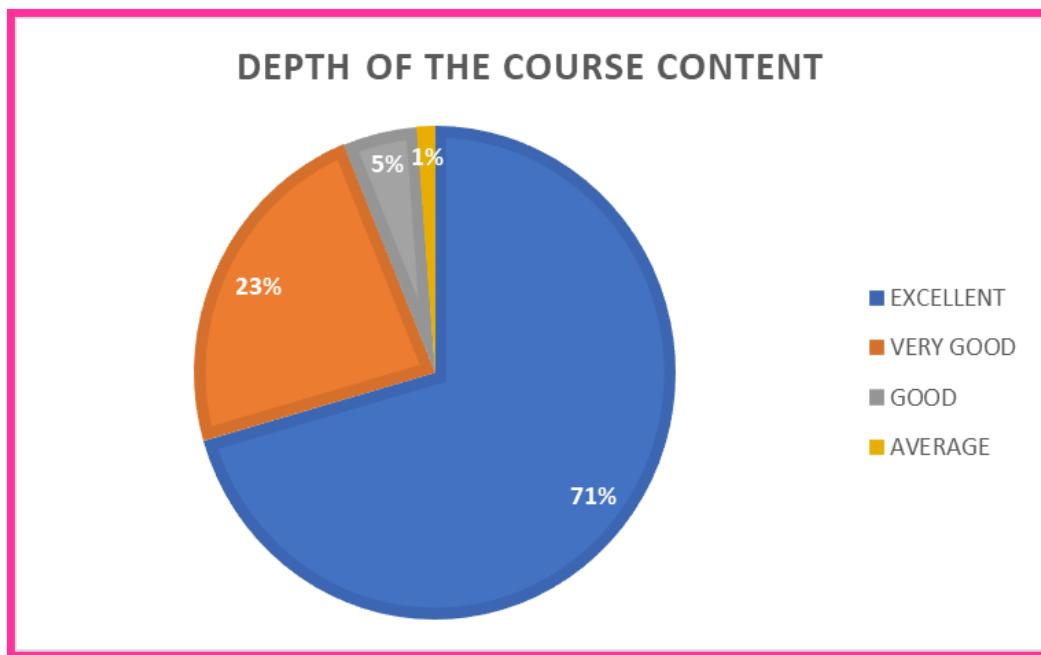

**To bring about the holistic development of a student's personality through social and spiritual dimensions**

### **Feedback Process**

### FEEDBACK

Whom So Ever It May Concern

The purpose of this letter is to give you the feedback in respect of your campus recruitment. We are recruiting the students of Sri Sarada College of Arts and Science for the past 10 years for our SRV Academy under which SRV Boys Hr. Sec. School, SRV Hi-Tech Matric. Hr. Sec. School and SRV Innovative Public School (CBSE), Rasipuram are functioning vibrantly. We would like to inform you that your arrangements during the interview is good and appreciable. The overall performance of the teachers recruited for our campus in academics is satisfactory. The teachers are maintaining very good discipline in our campus. We congratulate the Principal, Teaching staff members and Non teaching staff members of Sri Sarada College of Arts and Science and we wish them all success.

MS 7/6/23  
Thanks & Regards  
The Principal,  
SRV Hi-Tech Matric. Hr. Sec. School,

Dear Mam,

I am grateful for arranging the campus drive at your esteemed institutions for the last two consecutive years..... the arrangement, hospitality, and faculty members coordination are really good, and I appreciate that.... And the involvement of students is up to the mark.... and looking forward to the continued support for years to come.....

In 2022, 9 students joined, exceptionally, they are doing good in production. In 2023, we had offered 21 students, and they would call for onboarding on July 23....

Overall, we are highly satisfied with the student's performance so far..... thank you, and looking forward....

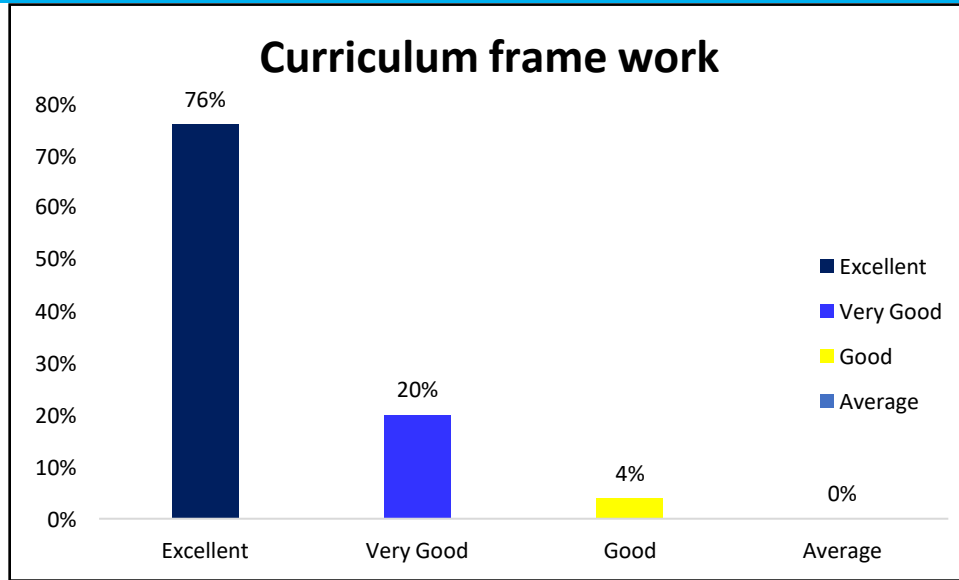

Thanks & Regards,  
Kesavan M
