

Students Satisfaction Survey Report (2022-2023)

Students are the most important stakeholders of the institution. In order to have a comprehensive analysis of students learning outcomes for the academic session 2022-2023, a questionnaire of 36 parameters have been framed and forwarded online. The questionnaire of the survey included 36 questions to which responses were given anonymously by the students of the institution with the help of Google Forms. The survey components include an institute level feedback on infrastructure and learning experiences. Students Satisfaction Survey was conducted during the month of June 2023.

The outcome of the survey will help to reach the vision and mission of the institution. This will also enable to implement suitable remedial measures to be taken for overall growth of students and also the institution. The survey analysis result will provide a road map to the strategies to be adopted in the future.

Totally 2308 students responded to Student Satisfaction Survey. The analysis of the survey conducted showed that, 66.9% students have expressed satisfaction over the regular schedule of seminars, assignments, internal tests and quiz conducted by various disciplines. The survey report indicated 60.8% of the students have cited that the teaching and learning methodology adopted by the institution profusely enhanced the professional skills.

The survey questions about the parameter like infrastructure, syllabus, redressal of grievances, course and, programme outcomes and related activities in the college revealed that the students were highly satisfied. They also abundantly acknowledged the effort put by the faculty in promoting and conducting workshops especially Hands on training sessions Interdisciplinary Learning Programmes implemented in the institution. These activities were very much beneficial to them to see the world beyond their prescribed curriculum and also motivating them to learn other subject or practical.

The parameters like promoting internships, field visit opportunities, and effective mentoring process have also shown highly satisfactory responses from the students.

.....

They'll are doing good 👍

All teachers are kindly and good teaching

Teaching is good here

No more suggestions we feel very satisfied

All is good

Good and supporting staff for me .

Good institute iam satisfied

Teachers must interact all the students.

Everything is just awesome... I'm proud to be a student of sarada College ❤️

Take care of all students

The teachers should understand the students mentality

Can use the projector

Can improve the field work

Must include sports activities more

Teacher's can discuss about employment opportunities in various fields from 1st year itself

For interview they can provide placement classes for aptitude round

By providing these facilities it will be useful extremely

Library period must be included in the time table atleast one hour per week

It's very useful for me

Very well satisfied too teaching

Over all good and effective

Learning

One of the best college in salem. Well talented teachers taught lots of things for us apart study. We only understand a concept . Not memory the concept. This all things happening in our college days. Our punctuality, obedience, faithful... are increase. Dedicated teachers is the best book. Thank you for allow to read the books.

Keep the same great extent of teaching ,and well guidance,

Very good I will improve in knowledge

Washrooms can be maintained clean and Xerox facilities can be implemented

Nothing to say
