

Students Satisfaction Survey

Report (2023-2024)

Students are the most important stakeholders of the institution. In order to have a comprehensive analysis of students learning outcomes for the academic session 2023-2024, a questionnaire of 39 parameters have been framed and forwarded online. The questionnaire of the survey included 39 questions to which responses were given anonymously by the students of the institution with the help of Google Forms. The survey components include institute level feedback on infrastructure and learning experiences. Student Satisfaction Survey was conducted during the month of May 2024.

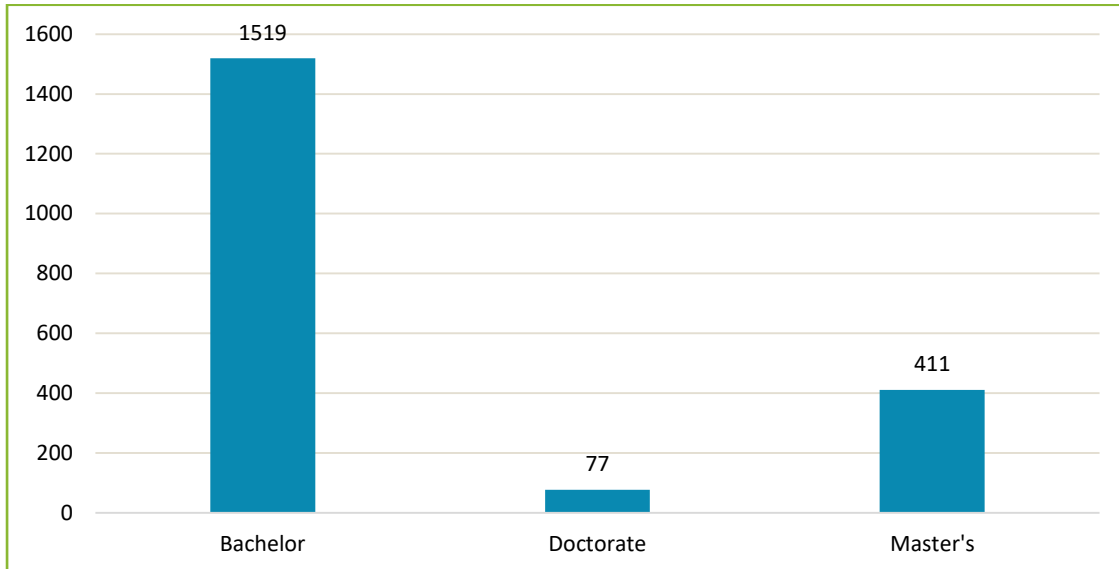

The outcome of the survey will help to reach the vision and mission of the institution. This will also enable to implement suitable remedial measures to be taken for overall development of students and also the institution. The result of the survey will provide a road map to the strategies to be adopted in the future.

Totally 2007 students responded to Student Satisfaction Survey. The analysis of the survey conducted showed that, 1135 students have cited that the teaching and learning methodology adopted by the institution enormously enhanced their professional skills. About 1282 students have expressed satisfaction over the regular schedule of seminars, assignments, internal tests and quiz conducted by various disciplines.

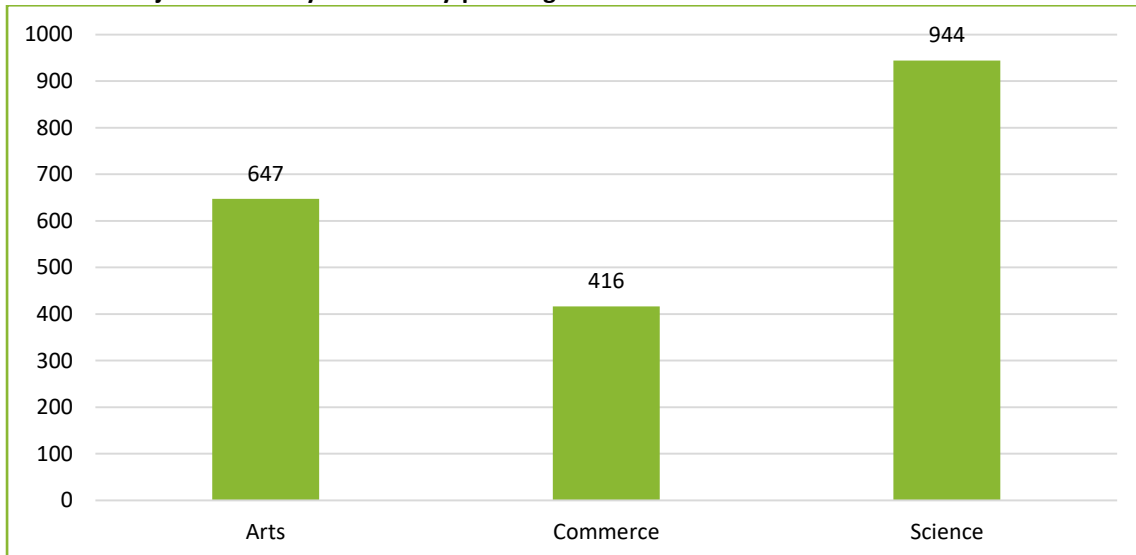

The survey questions about the parameter like facilities, syllabus, redressal of grievances, course outcomes and related activities in the college revealed that the students were highly satisfied. They also profusely acknowledged the effort put by the faculty in promoting and conducting workshops especially Hands on training sessions Interdisciplinary Learning Programmes implemented in the institution. These activities were very much helpful to them to see the world beyond their prescribed curriculum and also motivating them to learn other subject or practical.

The parameters like amenities and assistance for the sports, continuous quality enhancement of the teaching learning process have also shown large satisfactory responses from the students.

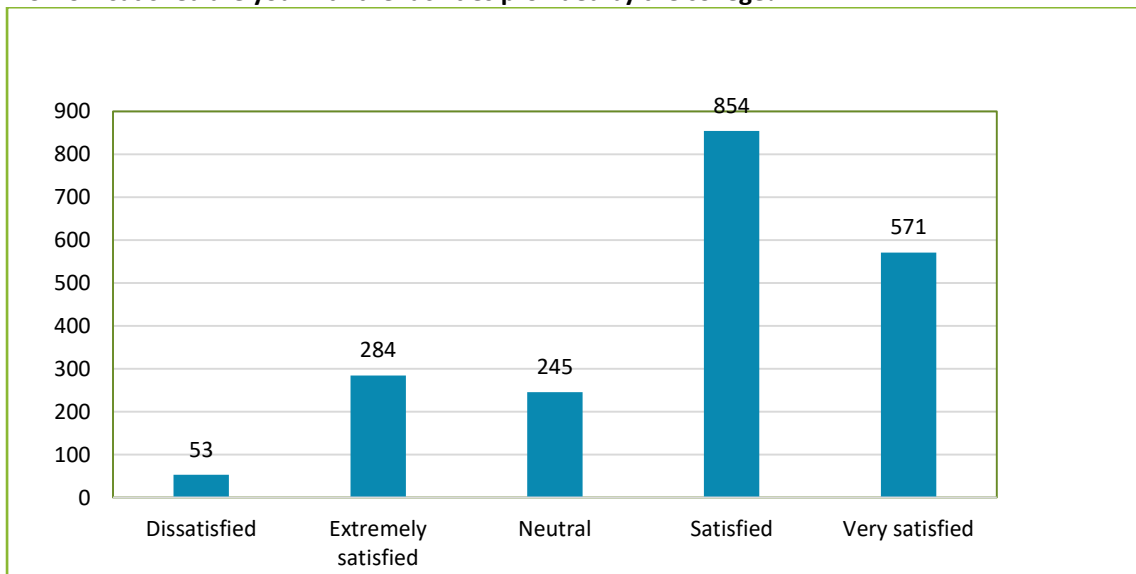

1. What degree program are you pursuing now?
